CNC Jali Design

Published By : InteriorEra

Think you need something to separate your living from the dining ? Or perhaps the pooja room from the rest of the living room? Or do you just want to add an embellishing element to your otherwise ordinary interiors ? Look no further, the answer to your dilemma is CNC jali designs. While installing a CNC jali may seem cumbersome, it is certainly easier than constructing a wall. Not to mention, how you can customize it to your liking ! Take a look at some gorgeous and practical CNC jali ideas installed in the homes we've designed here...!
